

ACCEPTING RESUMES FOR 2023 SEASONAL OPERATORS

We are looking for motivated, hardworking individuals for the upcoming season starting in April and finishing in November, 2023.

This is an opportunity to work for a diverse, agricultural contracting business that offers a range of services. Our team members are expected to keep machinery clean, tidy and well maintained. Professionalism, work quality and attention to detail are priorities. We offer a professional team environment with modern machinery, and a great family business culture.

Our aim is to deliver the highest level of service to our clients and maintain an enjoyable working experience.

Farming/agricultural experience is required. Accommodation is available. Must be independent, adaptive and good at problem solving.
