The company:

Larry Penner Enterprises Inc. (Penner Oil) has been in business for over 30 years as a wholesale distributor of petroleum products. The primary business of the company is sales and distribution of gasoline & diesel fuel and oil products in Manitoba, Saskatchewan and northwestern Ontario. Our customers are mostly rural, and range from service stations, bulk fuel dealers and farmers, to First Nation gasoline stations on outlying reserves as well as urban reserve stations. This is a great, diverse workplace with many long-term employees.
