

Help Wanted

The Argyle-Lorne Weed District invites applications for the following two positions:

Roadside Spray Truck Operator for the period May 27, 2023 to August 23, 2023 (approximately)
This position involves applying herbicides for weed control on R.M. road allowances, and other weed control related duties within the Municipalities of Argyle and Lorne. Requirements include a valid class 5 driver's license. Having an agricultural background and mechanical skills will be beneficial. The successful applicant will be required to obtain their Pesticide Applicator's license certification through a home study course offered by ACC. Certified/Licensed operators wage is \$23.00 per hour.

For further information on these positions please contact:
