

WANNA SUMMER

Job?

Camp Wannakumbac is currently hiring:

Cooks & Prep Cooks

- 30-40 hours per week in July and August
- Opportunity for part time work in the spring and fall
- Preparing meals for 80-100 campers and counsellors

Perfect for students looking for a seasonal job steps away from Clear Lake. You'll never have to worry about finding parking or fighting the crowds in Wasagaming, and you'll never have to deal with a grumpy customer. Meals run on a set schedule, so the "rush times" are the exact same every day.

Camp Counsellors

- Leadership and guidance of a cabin of 8-12 campers
- Work with the programmer to prepare weekly programs
- On-site living in staff dorms for July and August

We are looking for creative and energetic individuals who have a passion for the outdoors and working with children. This is an active job that involves teaching activities and leading games day in and day out. Cleaning and maintenance duties are also a part of this position.
