

General Labourer (Seasonal June - November)

Western Asphalt Products Inc. is a producer of high-quality bituminous materials for use in road construction applications. Western Asphalt conducts business throughout Western Canada, Ontario and the northern United States.

Western Asphalt Products is currently seeking a General Labourer to assist in plant operations from approximately March to October. This position will be located at Western Asphalt's Brandon, Manitoba location.

The successful candidate will be responsible for:

- General maintenance of equipment as directed
- Intermittent operation of truck scale
- Collection of product samples for testing and retention purposes
- Assist in production of asphalt emulsion
- Loading and unloading of bulk tanker trucks
- Completion of inventory checks
- Operation of Loader/Forklift

Skills and Experience

- Industrial experience an asset
- Equipment operating experience an asset
- Ability to identify and complete tasks independently
- Other responsibilities as necessary

Candidates interested in this position should possess general math skills, ability to work independently and within our team. A positive attitude and strong work-ethic are also required. Applicant should also have a valid drivers licence and will be required to provide a drivers abstract.

To apply, please send resume to Stevie at brandonscale@westernasphalt.ca. Western Asphalt Products is an equal-opportunity employer. Western Asphalt thanks all interested candidates, however, only those selected for an interview will be contacted.
