section, and select the chat option. This connects you with a real person who can assist you just as well

as phone support can. 3. Reaching Out on Social Media Kraken® is active on social media platforms

like Twitter and Facebook. Many customers have found that sending a message via these platforms leads

to quick responses, especially for general inquiries. 4. Utilizing the Kraken® Mobile App for Support

The Kraken® app provides options to call or chat with customer service directly from the app, giving

you another method to reach a live person without needing to switch devices. 5. Emailing Kraken®

Support For less urgent issues, emailing Kraken® is another option. While response times can be

longer, this method ensures that you have written documentation of your issue and any communication

regarding its resolution. Step-by-Step: Talking to a Live Person via Phone Listen to the automated

prompts and select the option that best matches your issue. Typically, you'll want to choose options like

"subscription," "technical support," or "billing." If prompted to enter your account number but you don't

have it, pressing "0" can sometimes bypass this step. Repeat "agent" or "representative" when asked

what you need. This often speeds up the process. Important Numbers for International Callers If you're
